Thrivent is sponsoring “Martin Luther: Art and the Reformation” at the Minneapolis Institute of Art until January 15. Almost 500 years ago, one man took a stand that shook Europe and changed the world. Now you can see the story of Martin Luther and the Reformation through artworks and historical objects, traveling outside Germany for the first time. Luther used art and the new printing press to challenge Europe’s leaders and spread a revolution of religious, cultural, and societal change. This exhibition includes paintings, sculpture, gold, textiles, and works on paper—as well as Luther’s personal possessions and recent archaeological finds.
